

**SHORT DESCRIPTION**  
VISIT OF THE ANCIENT BRAVI  
MILL, DATING BACK TO 1565

**DURATION**  
2 HOURS

**WHERE**  
CINGOLI, MULINO BRAVI

## Description

Visit of the Mill that still works with water and is dedicated to the production of soft wheat flour, Monococco spelt and "Quarantino" corn, deriving exclusively from organic agriculture. You can see the grinding process by the hydraulic force from which the finished product is obtained. There is also the possibility to walk the path of the watercourse

- History of the mill
- Operation of water-driven stone grinding
- The work of the miller

P.le XX Settembre,20 - 60044 - Fabriano (AN) - Tel. +39 0732 5345 +39 0732 619703  
info@incomingmarcheumbria.it - www.incomingmarcheumbria.it

- The role of water
